**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want more competition!

I say NO to price hikes that will increase the cost of internet and telephone services.

Broadband is critical to your home, business or school.

I want to be able to choose who I am paying for.

I am against monopolism

Saying yes to this will only benefit big companies, and crush small companies.
